

Skin Care & Makeup WORKSHOP

Hosted by:

Learn the secrets to flawless skin and perfect makeup

Gorgeously applied make-up is a girl's best friend; poorly applied makeup is the stuff of nightmares. Embarrassing foundation 'tide marks' stopping at the jaw line, clumpy mascara, unblended eye makeup and bleeding lipstick are just a few of the common hazards that you can avoid if you have a Makeup School Artist on hand to show you the tricks of the trade.

Discover your true beauty with Darusha Moodley, Professional Beauty Therapist & Make-Up Stylist.

This course is both a personalised makeup training for the non-Makeup Artist and a guide on how to take better care of your skin. Darusha will teach you how to do your own makeup and bring out your most flattering features. You'll also learn how to select products to enhance your skin tone and application techniques to show off your natural beauty.

Programme:

- Essential Skin Care (1 hr)
- Fundamentals of Make-Up (1 hr)
- Selecting the right products (0.5 hr)

Cost: \$60 (Min. Group of 6) or \$75 (Individual)

All tools and equipment are provided, but feel free to bring along your own makeup to use during the session.
